Dear Parents and Carers,

We are fast approaching our trip to Pinsent on **Wednesday 2nd April 2025**.

Timings:

9.15am - Please can we ask that **parents drop off at Pinsent**

2.45pm - **Parents to collect from Pinsent**

Address:

Pinsent Scout Campsite, Clarendon Way, Winchester, SO22 5QL

We highly recommend that you car share as much as possible. Clarendon Way is a single-track road leading to Pinsent and gets busy when groups of people are arriving at the site. Pinsent have written the following briefing notes for parents when arriving and collecting their children. Please make sure you read carefully before travelling to the site.

Briefing points for parents/drivers

- Your child's activity will have a defined start time and finish time. It is important that you take careful note of these times.
- If you are comfortable with car-sharing, it would be greatly appreciated if this could be utilised in order to reduce the number of car movements to and from Pinsent Campsite.
- We also have a **serious problem** at Pinsent with traffic flow along the lane and issues that arise. Continued vehicle access requires good behaviour by drivers associated with meetings at the campsite.
- **To reduce the traffic issues and provide risk reduction during arrival and departure. It is very important that these instructions are strictly adhered to.**
 - Drivers should not arrive earlier than 10 minutes before the allotted start or finish time nor after the allotted time.
 - There must be no drop-off or pick-up outside the gate.
 - On entering through the entrance gate, drivers should follow the one-way system and join the queue at the exit gate, Drop off point (SEE MAP BELOW).
 - On reaching the Drop-off point, exit the car carefully with your child and use the pathway to the campsite entrance (next to the Toilet Block) where a member of staff will be waiting. Parents, please then return immediately to your car.
 - **At the allotted exit time** the queue will be directed to move off in small groups into the road that should be clear.
 - Pick-up is a very similar procedure, join the queue and wait until called to collect your child from the campsite entrance.
 - Please be patient; there could be up to 30 or more cars dropping-off or picking-up for any session.
 - Any person(s) arriving by bicycle or on foot shall follow the clockwise rotation keeping to the edge of the car park or parked cars to the entrance to the Campsite
 - All drivers must remain with their vehicle in the car park.
