GOVERNOR VACANCIES

Can you help us find Co-opted Governors?

Two of our co-opted governors have resigned due to pressures arising from business and personal commitments. We are fortunate to have our full quota of parents on the governing body, so these positions are not open to anyone with a child at the school, making the task of filling them a challenge.

A co-opted governor is typically a person who has the time and skills to support the school and its pupils. They may be from the local community or from further afield. They do not require experience in governance as training will be provided. Having a full quota of governors helps us to share our responsibilities effectively, rather than tasks falling on the few.

Can you help to publicise our vacancies?

- ◆ Do you know someone who may have the time to support the school?
- ◆ Could you display the attached poster at your place of work or leisure?

If you can help in any way, please speak to a member of the Senior Leadership Team, or a parent member of the governing body.

PARENT QUESTIONNAIRES

Our annual questionnaire was emailed a few weeks ago. Your responses are particularly beneficial in helping us form a rounded view of the school's strengths and areas for development. Our last Ofsted was in July 2024, but another inspection is due and your views will support our preparation. If you have yet to complete the questionnaire, please could we urge you to do so by **FRIDAY 23rd MAY**. We are very grateful for your support—thank you.
