22nd September 2025

Dear Parents and Carers,

As we prepare for our admissions open days for the September 2026 intake, I want to take a moment to thank you sincerely for the positive messages and support you have shared within our community. Your kind words and recommendations have played a crucial role in welcoming new families to Weeke Primary School, and we are delighted that our Early Years provision is currently full and thriving.

However, as a two-form entry school, we face the ongoing challenge of fluctuating numbers, which can impact the whole school's ability to maintain and build on our successes. Increased pupil numbers are vital—they enable us to continue enhancing our school environment, invest in improved resources, and provide the high-quality learning experiences that your children deserve.

We invite you to support us during our upcoming open days, which will be held on:

- Wednesday 15th October 2025 9:30-11:00am
- Monday 10th November 2025 1:30-3:00pm
- Wednesday 26th November 2025 6:00-7:00pm
- Thursday 11th December 2025 1:30-3:00pm

Your help with distributing flyers, possibly attending as a parent advocate and spreading the word about these events would be invaluable. More importantly, the strength of word-of-mouth recommendations from our current families is one of the most powerful ways to ensure Weeke continues to thrive. Together, we can share the message that Weeke is the best choice for parents seeking a strong community, excellent outcomes, and a broad, rich, and memorable curriculum for their children.

We want all families, including those outside our catchment area, to know about the exceptional opportunities we offer:

- Our amazing outdoor spaces and learning environments
- Highly experienced, caring staff who build positive relationships with children and their families
- An approachable and visible leadership team, including myself, Mr Kirkham
- Relevant, novel experiences that enrich every child's learning journey

Weeke Primary School is committed to ambitious and enriching learning experiences for all: empowering our school community to be successful, confident, independent and happy.

In addition, we encourage you to engage with and share the daily learning experiences of our children through our Facebook page: <https://www.facebook.com/WeekePrimary>. Sharing these opportunities not only celebrates our children's achievements but also gives prospective parents a real insight into the vibrant life and learning at Weeke. We would love to see this community grow and thrive through your support.

As part of our ongoing commitment to partnership, the Senior Leadership Team is always available to listen to your views and explore ways you can support our school community. Come and chat to us on the gate.

Looking ahead, I am also working on new opportunities to showcase the strengths of Weeke Primary School. At the upcoming parents' evenings, we will invite you to share your positive experiences on video. These recordings will be featured on our website to help prospective families see the real impact Weeke has on children and their families.

Thank you once again for your continued support. Together, we can ensure Weeke Primary School remains a place where every child is successful, confident, independent, and happy.

Warm regards,

Jonathan Kirkham
Headteacher
Weeke Primary School
