### International Day 2025

Dear Parents/Carers,

On Friday 24<sup>th</sup> October, we will be holding our second International Day. This is a day dedicated to celebrating our whole school community and the diversity within it, giving children and adults the opportunity to share and learn about different cultures.

On the day, each class will choose a country and culture to explore and will learn about it in a variety of different ways such as learning about food, clothing, music, art and languages. The day will finish with an Exhibition of children's learning in the school hall.

Children may dress up in clothing that represents their culture for the day.

We would love parents to get involved too. If you would like to come into school on the day and share information about your culture (for example, through a presentation, teaching a dance or a song or talking about food or showing artefacts), please complete the reply slip below and return it to the school office by Friday 10<sup>th</sup> October.

We are sure it will prove to be a fun day of celebrating diversity.
