Dear Parents,

I hope that you have been able to join us on our recent Open Events. If you have been unable to join us or if you would like to visit again, we would be delighted to see you at our upcoming Open Mornings taking place in October.

These events are designed to give you and your child a comprehensive insight into our school community, helping you determine if our school is the best fit for your child's educational journey.

These Open Mornings will take place on:

- **Thursday 2nd October (9am – 10am)**
- **Wednesday 15th October (9am – 10.00am).**

During these events, you will have the opportunity to:

- **Tour Our Facilities:** Explore our subject areas and teaching classrooms, the Expressive Arts department, Sport facilities and learn about the changes to the Science block, which has recently undergone a £3.4 million refurbishment.
- **Meet Our Staff:** Engage with our dedicated teachers and support staff who are committed to providing a nurturing and stimulating learning environment.
- **Experience Our Curriculum:** Learn about our broad and balanced curriculum designed to challenge and inspire students and observe lessons taking place.
- **Hear from Current Students:** Listen to our students share their experiences and insights about life as a Year 11 Student Leader and a Year 8 student show you around the school site.
- **Ask Questions:** Get answers to any questions you may have about our school, our values, and our approach to education.

Choosing the right school for your child is a significant decision. Our open events are an excellent opportunity to see firsthand an authentic look at what happens every day at our school.
