### Year 6 Rivers trip to Winchester College Nature Reserve – 16<sup>th</sup> October

Dear Parents,

In the afternoon of Thursday 16<sup>th</sup> October 2025, Year 6 will be going to Winchester College Nature Reserve (off Garnier Road) to carry out activities linked to our geography learning on 'Rivers' and our science learning on 'Classification'. The activities are being led for free by College staff linked to the Chalk Stream Project.

#### Clothing

These activities will be taking place outdoors; therefore, pupils must be suitably dressed. Pupils need to wear old, warm clothes - suitable for outdoor activities, a waterproof coat, comfortable trainers to walk in and bring wellingtons.

#### Transport Arrangements

As we are walking to the site (which is a considerable walk) we suggest pupils wear trainers and bring a pair of wellingtons in a rucksack.

We would like parents / guardians to communicate with each other if possible and arrange for children to be picked up **at 3pm from Garnier Road Park and Ride SO23 9NP (map attached)**. Please indicate your child's pick up arrangements on the permission slip below.

#### Lunch Arrangements

All children will need to be provided with a packed lunch as we will be eating an early lunch before walking to the college. If your child is in receipt of Free School Meals and requires a school packed lunch please let the school office know as soon as possible.

Since the children are doing stream and river based activities, as an extra precaution against infection please ensure any exposed cuts or grazes are covered up.

Please give consent and indicate pick up arrangements on the slip below and return it to school **by Thursday 9<sup>th</sup> October 2025**. If you are able to volunteer your time and help supervise the children during the trip including walking to the site, please also indicate this on the slip below. We will confirm whether you are needed as soon as we can.

Many thanks for your ongoing support,

The Year 6 Team
