Join us for a presentation sharing the journey of Lanterns Larder, from a simple idea to a growing, community-rooted source of everyday support within a school setting.

This session is for anyone interested in creating or supporting a small community-based Larder or Pantry, or for those who would like to become a donor and help strengthen our work.

We will share practical steps, lessons learned, challenges faced, and how starting small can lead to meaningful impact for families.

What to Expect:

- Our case study and real-life journey
- Practical guidance for starting a small community-based Larder
- Partnership and sustainability insights
- Time for questions and discussion

Everyone is welcome — whether you are curious, committed, or just at the very beginning of your idea.

Together, we can think big, start small, and build something that truly makes a difference.

Repair Café – Littleton Memorial Hall

The main aim of a repair café is to **reduce waste** and promote a sustainable, circular economy by repairing broken items rather than throwing them away. We operate as community-driven, free meeting place where volunteers help fix household items, such as clothes, furniture, electrical appliances and even bicycles. (Tea/coffee/cakes are the added bonus), Donations are welcome towards running costs.

The next Repair Café will be in Littleton Memorial Hall on **Saturday, 30th May at 3.00 to 5:30** and items can be booked in via the Repair Café Winchester website, using the Littleton drop down box: <https://www.repaircafewinchester.org/book-a-repair>.
