12/6/26 In English, the children have been exploring exciting dragons. They have enjoyed describing dragons using interesting adjectives and writing their own imaginative sentences and short stories. We have been focusing on using capital letters, full stops, and expanding our ideas. In Maths, we have been working on numbers from 50 to 100. The children have been practising counting forwards and backwards, recognising numbers, and comparing them using greater than and less than. We are really pleased with their progress and growing confidence.

The children have now completed their Phonics Screening Check. We are incredibly proud of all their hard work and effort. They showed great determination when reading both real and nonsense words.

We are excited to begin our new History topic: Scott of the Antarctic. The children will learn about his adventurous expedition, the challenges he faced, and what life was like in such extreme conditions
