

Year Group News Year 6

Class News

12/6/26 The last fortnight has been production, production, production with Matilda songs going on through our brains on loop! The children have impressed us with their enthusiasm and developing performance skills. We already know it's going to be a great show! We have started reading the brilliant book, Wonder, and are rewriting a scene from the perspective of a chosen character. In the last two weeks, staff from Henry Beaufort, Kings and Westgate have been in to meet with us and the children. In the next two weeks, we will be finalising our teacher assessments for writing based on a number of most recent pieces. In maths, we are problem solving and in PE we have started our athletics unit. In DT, we are still creating our tote bags. So as you can see, its 'All systems go' in year 6
