12/6/26 Our Early Years children had a fantastic time on their recent visit to Harestock Primary School for a special farm experience. They enjoyed meeting a range of animals and showed great care while gently stroking the goats and guinea pigs, as well as helping to brush the donkeys.

The excitement continued with a visit from a tractor, kindly provided by Sparsholt College. The children were full of curiosity, asking thoughtful questions about how it works, before creating detailed drawings of the John Deere tractor back at school.

It was a wonderful hands-on learning experience and a memorable day for everyone involved—thank you to all who helped us.

17/7/26 In Early Years the children have loved spending more time with their new Year 1 teachers over the last few weeks. The teachers have spent time in early years and the children have made lots of visits to their new classrooms; delivering notes, cards and pictures and sharing their amazing work. All children will have a social story about Year 1 that might be useful to revisit over the summer break. We would like to say a huge well done to all the children for wonderful first year at school, it has certainly been challenging but the resilience the children have shown has been admirable along with the incredible support you as parents have shown. We can't thank you enough. We hope you have a well-deserved break over the summer and we look forward to hearing how your children are getting on next year.
