

Year Group News Year 1

Class News

17/7/26 As we reach the end of a wonderful Year 1, we would like to thank you for your continued support throughout the year. It has been a pleasure to watch the children grow in confidence, independence, and enthusiasm for learning. Highlights from Our Year: English - This year, the children have developed their reading, writing, and communication skills. They have enjoyed exploring a range of stories, poems, and non-fiction texts, and have worked hard to improve their sentence writing, punctuation, and vocabulary. Mathematics - The children have made excellent progress in mathematics, learning about number bonds, addition and subtraction, place value, measurement, money, and time. We are proud of their resilience and problem-solving skills. Science - Our young scientists have investigated seasonal changes, plants, animals, and everyday materials. They particularly enjoyed carrying out practical investigations and making predictions. Creative Curriculum - Throughout the year, the children have explored exciting topics through history, geography, art, design technology, and computing. They have shown great creativity and curiosity in all areas of the curriculum.

Some of our favourite memories include:

Educational visits and special events

World Book Day celebrations

Sports Day

Creative art projects

Class assemblies and performances

Outdoor learning activities

These experiences have helped the children develop teamwork, confidence, and lasting friendships.

Personal Growth

We are especially proud of how the children have:

Become more independent learners

Shown kindness and respect towards others

Demonstrated resilience when faced with challenges

Developed positive attitudes towards learning

Looking Ahead to Year 2

As the children prepare for Year 2, they should feel proud of everything they have achieved. They are ready to take on new challenges and continue their learning journey with confidence.

Summer Holiday Suggestions

To keep learning going during the holidays, we encourage children to:

Read regularly with an adult

Practise number facts and counting

Visit local libraries and parks

Talk about their experiences and adventures

Enjoy creative activities and outdoor play

Thank you once again for your support, encouragement, and partnership throughout the year. We wish all our families a happy, safe, and relaxing summer holiday.
