Class News

12/6/26 We have had a fantastic fortnight back at school after the half term break and have been very busy already. We have started our pre-learning about Southsea so that we are ready for our trip on the 26th June and the children are very excited about going to the seaside. In DT the children have been set a challenge to make their own healthy wrap that they might like to copy to take on the school trip with them. To help with this we had a taste testing session on Monday morning and practised some skills that they will need when making these. Your child will come home with a list today with the fillings that they would like for their wrap (we provide the wraps) and we ask that you provide these on Wednesday 17th June.

17/7/26 As we come to the end of the year we want to say a huge well done to all of the children as they have worked so hard all year.

Over the last couple of weeks the children have been writing, editing and improving the recounts that they wrote about their trip to Southsea. The children were incredibly motivated by their writing and so the results were fantastic. In geography we have completed our post-trip work about Southsea too and now the children are going to use all of their knowledge and first hand experience to write an acrostic poem using the word Southsea.

We would like to take this opportunity to thank you all for your continued support throughout the year and hope that you enjoy the summer break.
