

Welcome to Edwards and Ward

Your new caterer

Our Food Development Team

Our Food Development Team, play an important role in E&W whereby they:

- Develop recipes and menus
- Create food the children enjoy
- Grow taste buds with new flavours
- Use ingredients that are fresh, healthy and nutritious

Most importantly, ensuring you are eating healthy food that you enjoy!

Special Diets

Our Nutritionist Clare, works closely with the food development team ensuring all the recipes created are nourishing and according to regulation.

If you happen to have a special dietary requirement please scan the QR Code to register...

Why don't you
become a Taste
Buddy?

Our taste buddies help with
serving, setting,
encouraging children to eat
their food and also try new
foods.
They are food ambassadors!

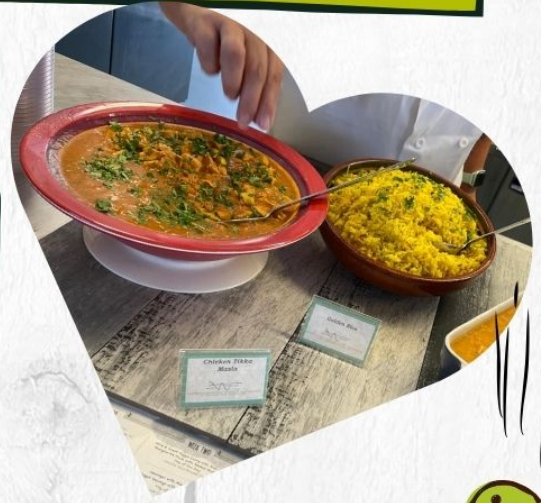

You will be seeing us soon

and continue to see us....

We will see you at parents evening and at drops-off / pick-ups
