

Year Group News Year 4

Class News
25/9/26

What an interesting start to the term for Year 4! The children have settled well, getting down to learning and getting used to their new adults and surroundings.

We have been enjoying our science topic, finding out about our teeth and how important it is to clean them thoroughly, we are looking forward to the final results in our egg experiment in the coming weeks!

Netball and fitness have been our PE focus, with the children showing good control of the ball and ability to use different passes.

The Sword in the Stone is our current English text and the children have re-written the story using wonderful descriptive language. The disappointment of the last minute cancellation of our trip to The Great Hall was, hopefully, tempered a little by our Anglo-Saxon crafts morning, where traditional weaving and broach making help them understand a little about how our ancient ancestors lived.

As Mick Jagger once said - " You can't always get what you want, but if you try sometimes, you'll find, you get what you need."
