Sports News

Primary 🏆

The last four years have seen Weeke enjoy incredible success in the Hampshire Cup, winning the competition a total of three times—including both the Hampshire Cup & Plate with our girls' teams and a Hampshire Cup victory for our boys! Along with multiple semi final appearances.

Both of our Year 5/6 teams have picked up right where they left off, continuing that impressive streak with excellent performances in their opening matches:

⚽ Girls' Team: Secured a brilliant 7–2 win against King Edward's Prep School!
⚽ Boys' Team: Took an outstanding 10–1 victory against Bursledon School!

A huge well done to all of the children who played in both games! Fantastic teamwork, effort, and determination on display. Keep up the amazing work! 👏⚽

Celebrating our pupil's extra-curricular achievements Past & Present

Congratulations to Charlotte Greenwood in Year 4 who won a best line prize in a competition called Hampshire Young Poets 2026. The theme was about all different types of food. She chose to write an acrostic poem about fruit salad. It was amazing! She went to the library to collect a prize, there were so many people! She stood up and walked to the front got a certificate from Damien Kelly-Basher (Hampshire Poet Laureate). The winning line was 'disgusting dragon fruit, looks amazing but isn't!'. She even got a prize for the school, which was a book voucher. Then after ice-cream she had a photo together with Damien Kelly-Basher as well as with the other children. Charlotte really enjoyed listening to the other poets' poetry!

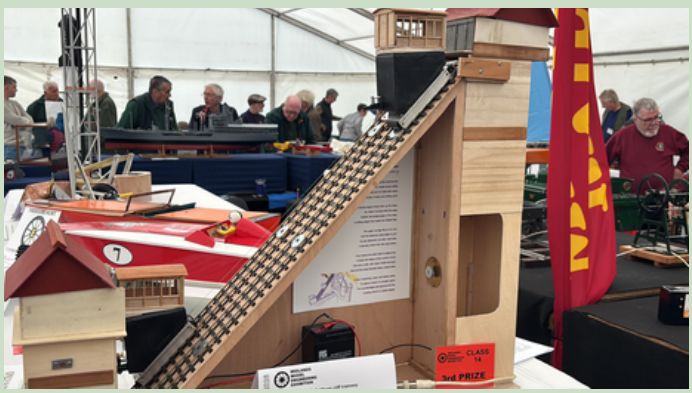

Alice D, in Year 6, has won 3rd prize in a national engineering competition.

Her model of the Saltburn Cliff Tramway achieved 3rd place in the Youth category (under 20) at the 2026 Midland Model Engineering Exhibition, the largest and longest running exhibition of its kind in the UK, which attracts competitors from Edinburgh to Winchester. Great job Alice!

Alice D and former Weeke pupil Rosie L, have been selected for the South East Region U14 Girls water polo team for the Inter Regional Championships in Walsall on 28/29 November. Perhaps unsurprisingly, Alice is the youngest player on the team!

Separately, both of them also played for Hampshire U13 Girls as a guest team at the South West Inter County Championships on 13 Sept. Well done girls we are all very proud of you.

Last but certainly not least well done to Gracie-Mae S, a former Weeke football player, who after two fantastic trials has been accepted into the Portsmouth FC Emerging Talent Centre, next season she will trial for an Academy place!

Congratulations Gracie-Mae, proof that hard work pays off - we are all super proud of you.
